

**UNITED STATES DISTRICT COURT  
DISTRICT OF NEVADA**

COREY JOHNSON,

Petitioner,

V.

CALVIN JOHNSON, et al.,

## Respondents.

Case No. 2:21-cv-00219-GMN-BNW

## ORDER

17        This is a closed habeas corpus matter under 28 U.S.C. § 2254. After giving petitioner  
18 Johnson an opportunity to show cause, the court dismissed this action because Johnson had failed  
19 to exhaust his state-court remedies. ECF No. 13. Johnson has since filed a petition for a writ of  
20 mandamus (ECF No. 11), a petition for an emergency preliminary injunction (ECF No. 12), and a  
21 petition to correct prosecutorial misconduct or error (ECF No. 16).

22 All of these petitions address the merits of Johnson's claims. None of them address the  
23 reason why the court dismissed this action, for Johnson's failure to exhaust his state-court  
24 remedies. The court cannot consider Johnson's claims until he has exhausted those remedies. 28  
25 U.S.C. § 2254(b). The court thus denies these petitions.

26 To the extent that a certificate of appealability is necessary, reasonable jurists would not  
27 find the court's conclusion to be debatable or wrong. The court will not issue a certificate of  
28 appealability.

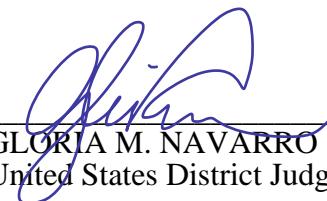

1 IT THEREFORE IS ORDERED that petitioner's petition for a writ of mandamus (ECF  
2 No. 11) is **DENIED**.

3 IT FURTHER IS ORDERED that petitioner's petition for an emergency preliminary  
4 injunction (ECF No. 12) is **DENIED**.

5 IT FURTHER IS ORDERED that petitioner's petition to correct prosecutorial misconduct  
6 or error (ECF No. 16) is **DENIED**.

7 DATED: **June 7, 2021**
